What to Bring: Tennis Racquet (or we can provide one), and a water bottle

10 and Under Tennis: The emphasis is to have fun, compete, and develop the correct foundation of strokes utilizing appropriate sized courts, low compression balls, and proper sized racquets. The benefits are immediate and children are quickly learning to rally; playing real points and having fun while learning the game.

Junior Tennis (11 and up): These clinics are designed with an emphasis on developing and building fundamental tennis skills, strokes and mechanics. The goal is to introduce, prepare and advance players toward competitive match play.

About the Pro: Phil Dillon: Phil began teaching tennis in 1986. He moved to Nashville in 1994 and began teaching at The Athletic club at Maryland Farms. In 2009 he took over the Donelson Tennis Center and was Head Pro there until it closed in June 2015. He joined Langford Farms in July 2015 where he continues to teach both Juniors and Adults.
